Subject: Re: Ribbon cutting Ceremony

Jose,

Captain Palka has an Officer assigned to our station in charge of our media. We are also reaching out to our friends at Scientology and their profesional photographers.

Lastly, will the last items be installed today prior to ceremony tomorrow?

Team, I wanted to share with you some thoughts on what I am proposing for Thursday's ribbon cutting event at the gym. Please note some questions as well.

Confirmed attendees: Captain Palka
Samir Svirastava
Councilmember Mitch O'Farrell
Baydsar Thomasian (St. Senator DeLeon's office)

Tentative: Councilmember David Ryu

Question: Is anyone from the Hollywood chamber attending?

Audience: 20-50 police officers
Samir will invite a few community folks

Set-Up: Main event to occur in hallway outside gym (LAPD will ensure that hallway is cleaned)
Eddie, Anibal, and me will arrive early to set-up

Table set up for refreshments and finger foods (LAPD will provide refreshments, ABS will provide finger foods)

Does LAPD and/or ABS have a large banner to hang as backdrop?

Does LAPD have "golden scissors" for ribbon-cutting, or do we ask CD13 to provide?

Will LAPD Media relations be present, take photography?

Proposed Emcee for event: Captain Palka
Key message: The previous condition of the gym and how the new gym lifts morale

Captain Palka introduces Councilmember:
Key message: The importance of seeking private/public partnerships to bring resources to our public facilities

Captain Palka introduces Baydsar:

Key Message: Public sector has responsibility to ensure that police officers have adequate facilities

Captain Palka introduces Samir:
Key Message: I am a long-time booster of the Hollywood Division and believe in forging partnerships with community and LAPD; Samir recognizes contractor and other sponsors

Captain Palka closes speaking portion and invites all attendees to gather around the main door to cut ribbon.

All attendees and guests enter gym to take ceremonial photos and do a "ceremonial" lift of some weights.

Team, please review this and, if possible, respond to questions. After additional feedback tomorrow, I will provide update tomorrow night.

Thanks

Jose
